

LGN Salad with Chicken

Juli's Coffee & Bistro has launched their new Spring Menu! We are now offering more salad, wraps and fresh fruit. We have introduced the new SW Chicken Salad– fresh chopped leaf lettuce, seasoned black beans, chicken, cheddar cheese, homemade salsa, guacamole and corn chips. This salad is also great as a wrap!

We have added a few new sandwiches like the Hambition– Ham, Swiss, Lettuce, Tomato, Pickles, Purple Onions, and Mustard on Flat Bread. We have the homemade Tuna Salad on wheat on the menu all the time and now offer a Tuna Melt on Italian Bread! It's yummy!! The Grilled Cheese with Apples is a favorite that is still on the menu, but we've added a Grilled Cheese with Bacon...yep Bacon!!
