Customer & Friends,

Happy 4th of July! I love this holiday! Curt, Macy and I discovered the Collins Park Parade last year and fell in love! Juli's Coffee & Bistro will be closed on Thursday, but back open Friday for coffee, breakfast and lunch!

We usually have Bierocks on the first Friday of every month and live music on the first Saturday. Because of the 4th of July holiday, we will be moving all those festivities to the second week. So, Bierocks on the 12th and live music on the 13th.

If you have not had a chance to sit on our patio yet, it's time! We recently quasi covered our patio, then after much snow, rain and wind, did some repairs to our patio coverings! There have been some great mornings to sit on the patio, read the paper and enjoy a great cup of coffee.

Juli's also introduced a new Never Summer Blend from The Roasterie. It is blended especially for iced coffee, this is the perfect coffee for a sweltering summer day. A muted acidity and nice bright fruit and caramel notes make this a very complex coffee that shines when cold. Stop in and have an iced Never Summer Blend!

If you don't have one already, ask for your Juli's Reward Card. For every \$50 you spend you get \$5 on us! You can keep your rewards card on you or keep it in the file box at the shop. Every time you come in, give us your card and we'll add up the points. Also, Monday is double rewards day, they really add up then!

Thanks for all of your continued support!

Juli
