Grand Opening Celebration!

This Saturday, June 21st, from 8am-2pm we will be celebrating our Grand Opening at our new downtown location. Slow Ya Roll will be playing an acoustic set from 10-noon. Robin Seitz, Espresso Genius & Trainer from Parisi Coffee will be on the coffee bar from 9-noon. Give-a-ways and crazy shenanigans will ensue. Make plans to be here, good times will be had by all!

Hello Customers and Friends,

It has been a while since I have sent out a newsletter and boy has a lot changed in that time. As most of you know we are now located in Downtown Topeka in the old Crane Publishing Building on 8th Avenue. Our new landlords, Jeff Carson & Greg Ready of Gizmo Pictures, have made us feel right at home. If you have not been to our new space, it's time to get here. The building is absolutely amazing. We have 18' windows that overlook the Capitol.

Our clientele has certainly changed since our move. I miss seeing some familiar faces from our Gage location. We have picked up quite a few new fans who work downtown. Our lunch hours are now very busy! Because lunch hours can be a bit hectic we are launching our 'Gopher Carry Out Special'. Call in 5 lunches, to go, and the person who picks up the lunches, gets theirs for free! So, simply put Buy 4 lunches get 1 Free (\$7.49 value). We will also do this deal with our awesome breakfasts! Ask any one of our friendly staffers if you have questions. Call 785.228.2001 to place your order.

We are super excited to announce our new coffee and espresso partnership with Parisi Coffee. Parisi Coffee is a roaster out of Kansas City who has provided us with outstanding service and support. Robin Seitz, Midwest Regional Barista Champion, will be here pulling shots on our espresso bar for our Grand Opening. Robin has also went through and retrained our staff to eliminate any bad habits we may have picked up over the years. Juli's will now be offering some single origin coffees and rotating different daily brews.

The downtown renovation has begun! I am excited to see how it's going to progress and grow. During the construction, Juli's has 2 hour parking vouchers for the parking garage that is 1 block west of the shop. Ask for your voucher when you are leaving our shop and you will use that ticket instead of the one you received when you entered the parking garage. Well, I am running out of room!! See you Saturday, parking is free on weekends. Thanks! Juli & the crew
